HANCOCK NORTH CENTRAL H.S.

PASS CHRISTIAN, MISSISSIPPI

Bernesia Arcement
D. J. MARTIN

Mr. Martin has a Masters degree from Mississippi State University with a major in Education and a minor in School Administration. He has done graduate work at Auburn University and the University of Southern Mississippi.

Mr. Martin has an AA license in the following areas: Vocational Agriculture, General Science, Biology, and Chemistry.

He is a member of: Miss. Vocational Agriculture Teachers Association, The National Vocational Agriculture Teachers Association, Miss. Vocational Association, American Vocational Association, Ms. Farm Bureau, Past President of Gulf South Federation of Agriculture Teachers, and Past Vice-President of Miss. Vocational Agriculture Teachers Association.

The Hancock North Central FFA Chapter, under the leadership of Mr. Martin, has excelled in many areas. They have placed among the top 3 or 4 chapters in the State in Land Judging, Dairy Judging, Creed Speaking, Tool Identification, Tractor Operation, Crop Production, Public Speaking, Parliamentary Procedure, Livestock Judging and many others.

"We have far too many students to name those who have reached the top in many areas of their chosen occupations. The Vocational Agriculture Program and/or Agribusiness Programs offer a broad area of career interests.

We like to think that the leadership, citizenship and cooperation that is one of the aims of the program is of up-most value to a student.

I like to take a student at the level I get him and advance him as far as I can for the time I have him. Don't fret about things that might have been, take what is and make the best of it."

BERNESIA ARCEMENT

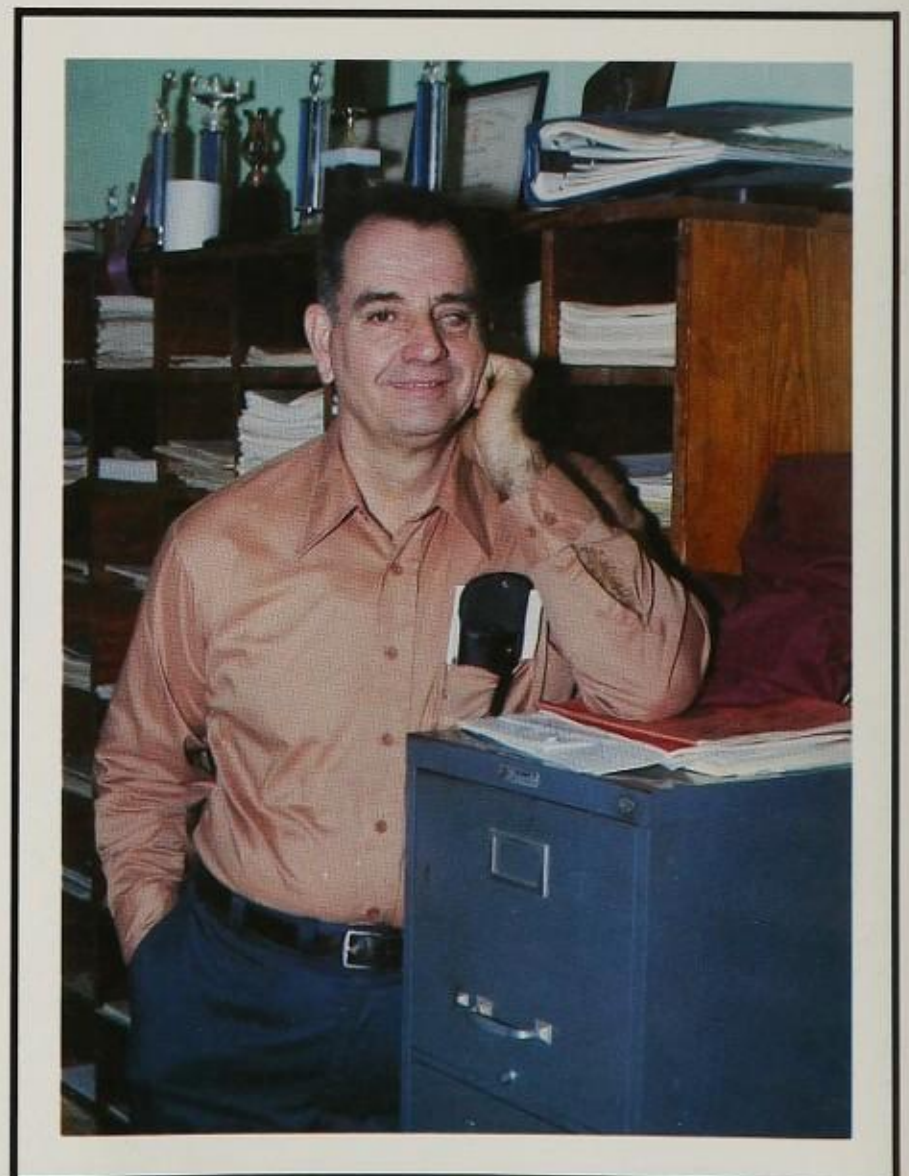

Bernesia Arcement graduated from the University of Southern Mississippi, receiving a B.S. Degree in Elementary Education.

She married C. J. Arcement from Marrero, La. and taught there her first year.

Mrs. Arcement and her family returned to Hancock County where she has taught for the last 25 years.

She has 5 children, two having finished college, two attending college, and one in first grade.

Mrs. Arcement has always tried to teach the values of life to children along with the Educational skills. "A great reward of teaching is knowing that you have helped others."

D. J. Martin

Twillipha Marie Cuevas

Twillipha Marie Cuevas

Twillipha Cuevas graduated from Dedeaux High School in 1956. She received a Bachelor of Science Degree from the University of Southern Mississippi in 1959.

She began teaching fourth grade in 1959. Ms. Cuevas has taught fifth and sixth grades, seventh and eighth grade English, and Junior and Senior high physical education. She was a high school girls basketball coach, as well as elementary girls and boys basketball coach, and the Elementary Physical Education Director.

Presently she is teaching sixth grade.

"With all the derogatory remarks being made about the educational process; teaching is great. It is still my goal in life to give each student things that will help them become young people our community can be proud of.

It has been 25 years well spent."

Alfretta M. Ladner, born in Standard, Miss. Hancock County, attended and graduated from Dedeaux High School. Attended Pearl River Junior College and received BS degree from University of Southern Mississippi.

As an educator, she has been in the teaching profession for thirty-seven years; twenty-five of which have been at Hancock North Central.

Mrs. Ladner was Valedictorian of the Senior class of 1944 and was selected Outstanding Elementary Teacher of America in 1975.

"School has been, is, and always will be. Even when it has ended, the process of learning goes on."

In my deep concern for education, I try to treat children as individuals, even though they have a variety of environmental and intellectual backgrounds.

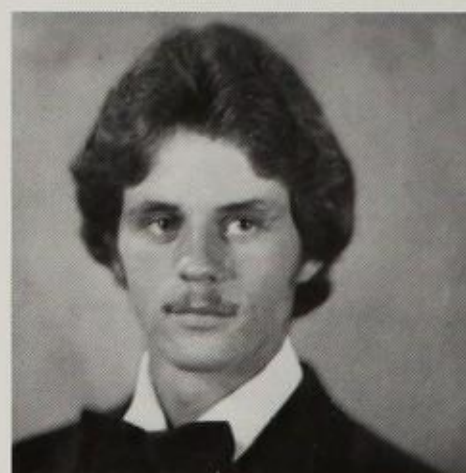

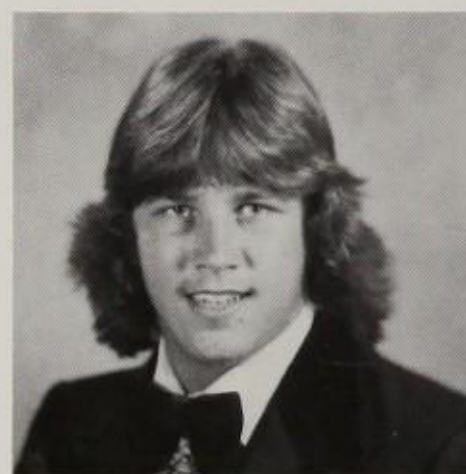

It is my sincere desire that each student will set his goals early in life and then work diligently to reach those goals; train students to be kind, helpful and cooperative. These traits are necessary for character growth and development.

I am thankful for so many happy years in the profession. My reward comes when I see the smiles of happy children as they grow toward a better life. As I guide children in the pursuit of knowledge and skills, it is gratifying to know that the students have the initiative and interest that is necessary to grow in wisdom and status.

Alfretta M. Ladner

Hall of Fame

For the third year, Hancock North Central has inducted students into its Hall of Fame. The Student Council selects these students based on their academic achievement, athletic ability, leadership, and sportsmanship.

The honored students from the graduating class of 1983 are from left to right: Rhonda Seal, Betsy Arcement, Dennis LaCoste, Connie Ladner, Neal Ladner.

HOLD ON TO THE MOMENT

Single file and yet together,
We have shared our greatest
days.
And we carry common
memories
In different ways.
Though we don't know where
we're going,
We will cherish where we've
been.
I want to cry.
I want to shout . . .
Want to let this feeling out.
Hold on to the moment.
Let the feelings show.
Hold on to the moment.
Never let it go.
I can picture us together
With my arms around my
friends.
Just let me hold on to this
moment,
Before it ends.
There was laughter. There
were tears,
Through the dozen golden
years.

Cafeteria Workers

Standing: Sandra Ladner, Minnie Flowers, Helen Necaie, Marilyn Necaie, Pearl Woods, Jean Necaie, Betty Necaie, Marie Odom.
Sitting: Rhea Scaffidi, District Manager; Myra Peterson, Manager; Lillian Ladner; Asst. Mgr., Dorothy Ladner, Beatrice Ladner, Dorothy Dedeaux, Margie Ladner.

Did you ever give any thought to WHO prepares those hot meals we have in the cafeteria day after day? In the pictures above you will find all the ladies who make this possible. Sometimes we seem to take them for granted and never slow down long enough to say "Thanks" — for getting up early, working such *long* hours in that HOT kitchen and always making sure we have plenty to eat.

The Mississippi Economic Council has selected Paula J. Gaudin as the STAR Student at Hancock North Central High School. Paula has served as President of the Beta Club, a member of the Student Council and Captain of the 1983-84 Hawk cheerleaders.

STAR Students are selected on the basis of academic excellence, American College Test scores and scholastic averages are considered in designation of the schools STAR Student.

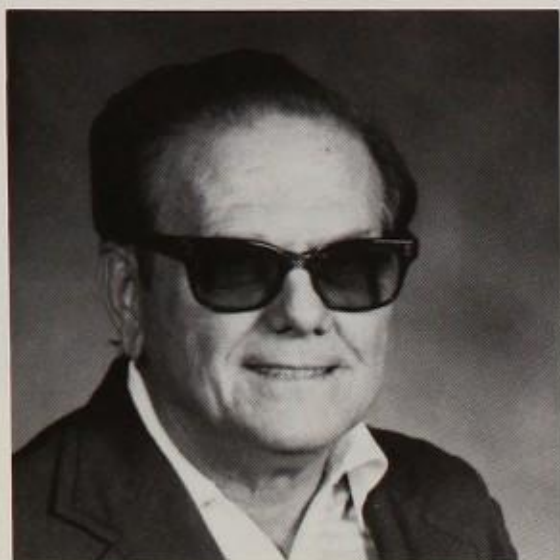

The Student-Teacher Achievement Recognition Program (STAR) encourages and promotes academic achievement among Mississippi's high school seniors. Top scholars are being designated as STAR Students in more than 325 participating schools in Mississippi.

Each STAR Student is asked to designate a STAR Teacher, a teacher who has made the greatest contribution to the student's scholastic achievement. Mrs. Myrna R. Gregory was selected STAR Teacher. Both the STAR Student and the STAR Teacher will receive certificates from the council, in addition to being eligible for scholarship competition.

The year 1983-1984 is almost history. Some of you will advance to Junior High School and we will miss you. Those of you who remain will have more work to look forward to next year.

I want you to know that I am proud to say that I feel the majority of you have done your best. This does not mean that all of you were on the honor roll but that you did your best. Continue to do this and you will never have to look for a place in life . . . It will find you.
